Languages

Turkish (native) ●●●●●

English ●●●○○

Computer Skills

Computation

Julia, C, R, Python, Matlab

CAS

Mathematica, SageMath, Maple

Miscellaneous

Linux(Bash scripting), Office programs, LaTeX

Certificates

Certificate of Brain Training

Certificate of Chess Games

Education

2017– ongoing **Ph.D. in Mathematics Engineering** Istanbul Technical University
Thesis on Topological Data Analysis and Machine Learning Algorithms
Advisor: Prof. Dr. Atabey Kaygun

2010 – 2014 **M.Sc. in Mathematics (with thesis)** Dokuz Eylül University
GPA: 3.88/4.00
Thesis on highest eigenvalues of Regular Sturm-Liouville Problems
Advisor: Prof. Dr. Şennur Somali

2015 – 2016 **B.Sc (Major) in Mathematics** Dokuz Eylül University
GPA: 3.81/4.00
Graduated as Valedictorian

2014 – 2015 **Pedagogical Formation in Mathematics** Dokuz Eylül University

2012 – 2015 **B.Sc (Minor) in Statistics** Dokuz Eylül University
GPA: 3.29/4.00

2012 – 2013 **Exchange Program in Denmark** Aarhus University
GPA: 3.66/4.00
Project: The solving equations via Eigenvalues and Eigenvectors
Advisor: Anders Nedergaard Jensen

Publications and Scientific Activities

2020 **Hierarchical Clustering and Zeroth Persistent Homology**
arXiv
Güzel, İ., Kaygun, A.

2019 **Operator splitting methods for computation of eigenvalues of regular Sturm-Liouville problems**
Surveys in Mathematics and its Applications
Güzel, İ., Adıyaman, M., Somali, S.

2016 **Computing Eigenvalues of Regular Sturm-Liouville Problems**
The 3rd Workshop of Association for Turkish Women in Maths
May, 27-29 Izmir, TURKEY
Ş. Somalı and İ. Güzel

Working Experience

2018 – ongoing **Research and Teaching Assistant** Istanbul Technical University
2019 – ongoing **Machine and Deep Learning Engineer** AlgoTecht
2020 – ongoing **Lecturer of Machine and Deep Learning Courses** UcuncuBinYil
2015 – 2018 **Mathematics Teacher** BAYSEM

Scholarships

2017 –ongoing The Scientific and Technological Research Council of Turkey, Grant 2211-A
2014 – 2016 Republic of Turkey, State Scholarship(for masters education)
2011 – 2014 Zorlu Foundation Fellowship

Projects

2020 – ongoing The Scientific Research Projects ITU (about PhD Thesis)
2021 – ongoing The Scientific and Technological Research Council of Turkey, Grant 2214

Honors-Awards

2014 Graduate ranking first in Science Faculty
2011 –2014 Certificate of high honor by Science Faculty Dean
